Independent Accountant's Review Report

Board of Directors  
Forney Area United Way  
Forney, Texas

We have reviewed the accompanying statement of assets, liabilities and net assets-cash basis of the Forney Area United Way (a non-profit organization) as of July 31, 2012, and the related statement of revenue, expenses, and changes in net assets-cash basis for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with the cash basis of accounting, as described in Note A.

Our review was made for the purpose of expressing a conclusion that there are no material modifications that should be made to the financial statements in order for them to be in conformity with the cash basis of accounting as described in Note A. The information in the accompanying Statement of Distributions is presented only for purposes of additional analysis and has been subjected to the inquiry and analytical procedures applied in the review of the basic financial statements and we are not aware of any material modifications that should be made thereto.
